Camp Overview

Elementary Level: Grades 1-5 \$70

The young athlete will be introduced to the basic skills, techniques, and simple strategies of the game of field hockey in a fun and relaxed atmosphere. Campers will be grouped by ability and age level for an optimal experience. Welcome to one of the most exciting sports in our country.

Junior High Level: Grades 6-9 \$70

Our objective is to provide a worthwhile experience exclusively for the junior high age level. Area field hockey enthusiasts can come together to strengthen skills, learn new techniques, and gain a readiness for their upcoming season. There is no experience required for this camp. First timers are welcomed and encouraged to attend. Special goalkeeping instruction will be available for those campers wishing to learn the position. Camp will include scrimmage time with corrections, advice, and coaching tips. Players will take with them many ideas to utilize throughout the summer in preparation for the season.

Our common goal for both levels is for the young athlete to leave with a **meaningful** experience and a **passion** for the game of field hockey.

A camp coach will contact you prior to the camp.
